

FISCAL NOTE

TO: Chief Clerk of the Senate
Chief Clerk of the House

FROM: James A. Davenport, Executive Director

DATE: February 19, 1996

SUBJECT: **HB 2111 - SB 3072**

This bill, if enacted, will provide that a rail service authority in a county with a metropolitan form of government with a population of more than 100,000 shall have an *additional* three members on the board of directors, to be selected by the county legislative body. Current law requires that the authority have five members, one of whom is appointed by the county legislative body.

The fiscal impact from enactment of this bill is estimated to be an increase in local government expenditures to the extent that the additional members are reimbursed for travel expenses. Such increase cannot be determined but is estimated to be not significant.

This is to duly certify that the information contained herein is true and correct to the best of my knowledge.
